6TH MEETING OF THE INSPECTIONS SUB-GROUP OF THE CEAOB

20-06-2019

THE INSPECTIONS SUB-GROUP OF THE CEAOB MEETS TO SHARE GOOD PRACTICE AND PROMOTE CONSISTENCY AMONG REGULATORS

The 6th meeting of the Inspections Sub-Group (ISG) of the CEAOB was hosted by the Commission de Surveillance du Secteur Financier (CSSF) of Luxembourg in Luxembourg on 19 and 20 June 2019. The meeting was chaired by the Cyprus Public Audit Oversight Board (CyPAOB) and was attended by 28 countries.

Highlights of the meeting include:

Dialogue with the leadership of Deloitte and BDO

As part of the audit regulators' ongoing dialogue on improvements in audit quality with large European audit networks, the ISG members met with representatives of Deloitte and BDO to discuss the firms' plans and activities to improve the quality of their audits. The Deloitte College and the organising committee of the ISG will follow up on these discussions.

Discussion of common inspection findings

The ISG maintains a database of inspection findings for its members to share knowledge and to identify any recurring findings from inspections that should be discussed with the firms and standard setters. Based on analysis of the database, the ISG members discussed the nature of findings related to the audit of entities in the industrial products and banking industries, as well as potential causal factors for these findings.

Presentation of detailed inspection approach

The ISG continued a series of presentations by individual regulators of their inspection approach. The Dutch Authority for the Financial Markets (AFM) presented the approach adopted in The Netherlands.
